Casino Cellar

An exciting journey through time through the oldest beer cellar in Bad Ischl.

Discover the approximately 500-year-old, 380m² rock cellar in an entertaining journey through time. The cellar was once used as a refrigerator for the Bad Ischler brewery and is still largely in its original state. The cellar house in front of it housed a legendary dance hall and painter's studio for many decades.

Concentration Camp Memorial

The Ebensee Concentration Camp was constructed in November 1943 as a subsidiary camp of Mauthausen. Code named "Projekt Zement" (Project Cement), the aim was to use thousands of prisoners from the concentration camp to construct huge, bombproof tunnels into the mountains. The plan was to transfer the Peenemünde rocket development and testing base to a more secure location.

Home, Heaven, Hell

Farewell and a new beginning in the Salzkammergut. The newly adapted and modern museum in the former salt administration building in Ebensee shows the destiny of the many women, men and children who have been forced to leave their countries due to economic situations, religious persecution or just simply in search of a better future and new challenges. There are additional exhibits of local culture and technical and economic history.

Dachstein Ice Caves in Obertraun

The Giant Ice Cave, one of the most important attractions in the Alps, brings to light a magical natural world deep in the Dachstein Mountains. Experienced guides lead downwards through a stalactite cave to "King Arthur's Cathedral" and over a 25 metre-thick ice floor to the "Great Ice Chapel" with its breathtaking lighting effects, unique art installations and additional highlights.
