Archery

After a short hike to the Auer-Hias Bauer, participants learn the classic form of archery through training of the instinctive aiming process. It involves shooting at the target disc – similar to the Olympics. But as we are at home in Salzkammergut, after the introduction we go into the forest, where we shoot at full-size 3D animals. A great experience for children and adults!

Every Tuesday (starts: 5 July 2022)
 Meeting point: 10:00 a.m. at St. Wolfgang market square

Raft building

The participants build watercrafts from the materials provided, which later have to demonstrate their suitability. Ideas for planning and implementation with team spirit and perseverance are required here. You are guaranteed to have a lot of fun in this group – great fun factor!

Every Thursday (starts: 7 July 2022)
 Meeting point: 2:00 p.m., Slippingstelle Strobl, next to the Wolfgangsee outlet
